# Protecting the things that matter most

We insure our homes, our cars and even our pets, but all too often we don't think to protect the things that matter most – ourselves, our families and the wages we earn that provide for them.

Make sure that you and those you care for will be able to cope by providing for life's eventualities with UNISON Family Protection – a range of low cost, simple-to-set up insurance plans which protect what's really important.

**Call freephone 0800 072 4990 or go online [www.UNISONprotect.org.uk](http://www.UNISONprotect.org.uk)**

## Your Wages

Home, kids, cars, holidays... No matter what your personal priorities, the chances are your wages pay for them. **UNISON Income Protection** ensures that if you become unable to work due to illness, accident or injury, you'll receive regular monthly tax-free payments up to the amount of your net salary for a further 2 years after your sick pay stops.

## Your Life

No one likes to think about it, but if the worst were to happen, how would those you leave behind cope? Covering you or your family, **UNISON Life Cover** pays out a lump sum to provide for your loved ones – or gives you cash back if no claim is made.

*"It's a sad fact but the death of a breadwinner often adds financial disaster to a family's loss."*

Keith Sonnet, UNISON Deputy General Secretary

*"Many people wrongly assume that the state will provide adequate cover in the event of long term incapacity."*

Defaqto report, Income Protection Insurance in the UK

*"Many plans only cover one kind of illness, such as cancer, but we've created this one to cover all 7 of the most common serious illnesses."*

Shona Mountford, UNISON Family Protection

## Your health

Serious illness can strike at any time, but **UNISON Critical Illness** cover makes sure it's not a financial strain as well. Paying a tax-free lump sum when you're diagnosed – even if you can continue working, the plan is available with no medical questions to answer and cash back if you don't claim.

## And especially for older members

For those aged 50 to 79, health insurance can be hard to come by, but **UNISON 50+ Personal Accident** cover pays out for accidental injuries and pays a lump sum of up to £20,000 if you die as a result of an accident. Acceptance is guaranteed and there are no medical questions to answer.

*"Trade unions are all about protecting what's important, so UNISON is proud to offer members these valuable plans at a cost that's affordable."*

Dave Prentis, UNISON General Secretary

## Don't wait till it's too late

You can apply over the phone or online and within moments, we can have you covered. It's amazing how easy it is, so don't delay, **act now:**
